

# Faculty position at Telecom ParisTech

## in Information Processing and Communications

Telecom ParisTech is seeking applicants for a faculty position in the Digital Communications Group of the Communications and Electronics Department.<sup>1</sup> Telecom ParisTech is one of France's best *grandes écoles* and the leading institution in communication systems. Undergraduate students are admitted through a highly selective national entrance examination exam.

The position ("Maître de Conférences") is equivalent to a tenured assistant professorship. Particular interest is in candidates with a multidisciplinary research orientation broadly related to the area of data transmission and processing. Applications from candidates specializing in areas related to coding or optimization are particularly encouraged. Priority will be given to the overall innovation, originality, and promise of the candidate's work.

An earned Ph.D., the ability to pursue a research program, and a strong teaching commitment to both graduate and undergraduate levels are required.

Applications received by **February 28th 2018** will be given full consideration. They should include a cover letter, a detailed resume, three representative publications, a statement of research (max. 3 pages), a statement of teaching (max. 2 pages), and the names and email addresses of three references. Applications can be written in English or in French.

Applications should be emailed to

- Direction of Human Resources  
Email: [recrutement@telecom-paristech.fr](mailto:recrutement@telecom-paristech.fr)
- Professor Philippe Ciblat (Group Leader)  
Email: [philippe.ciblat@telecom-paristech.fr](mailto:philippe.ciblat@telecom-paristech.fr)

---
